

On Saturday 25th February the Weeroona College Energy Breakthrough teams competed in the first 6 hour race for the year. It was at Casey Fields and we entered two teams, Bert and Ernie.

The teams were

BERT

Georgia Coverdale

Sarah Welsford

Morgan McQualter

Monique Hassell

Michael Rinaldi

Jay Abbott

Corey Tanner

Luke Miller

ERNIE

Todd Svanosio

Travis Holmberg

Reece Harris

Dylan LeFeure

Brooke Dwyer

Sophie Murley

Alice Gow

Laura Coppola

All the team members put in a big effort. Ernie hit the front with one hour to go and it was a very exciting race to the finish with Ernie coming in second place by 6 seconds. Bert also ran consistently and came in seventh in their category. This is a fantastic start to the year and we hope it will inspire the teams to put in lots of training this year for Maryborough in November.

The vehicles ran very smoothly thanks to Mr Adams and the two pit crew helpers Tim Crittenden and Sam Walker. All the team also appreciated Ms Peppinck bringing biscuits and cake and other refreshments. Natalie Jacobs helped Ms Peppinck with catering duties at the event.

The Energy Breakthrough team will now start preparing for the next 6 hour race at Casey Fields on 12th May. We will be entering an additional vehicle for our first all girls team, so watch this space!
