PRINCIPAL’S REPORT

The Bendigo Harriers

The Bendigo Harriers and Weeroona College Bendigo have developed a strong partnership over the past decade through the Building Stronger Links program. The partnership began with members from the Harriers assisting with coaching in athletic disciplines in year seven Physical Education classes and in assisting with the College athletics and cross country events. From this, students who showed an interest were encouraged to join the Harriers. These students receive further coaching from club coaches to assist in the development of their talents, at no cost to students. The club also supports the College with Athletics awards presented at the annual College Awards night. This partnership was expanded to another level this year when the club approached Weeroona College Bendigo to redesign their equipment trailer. Year 10 student Euan P was selected to undertake the project and over the past four months has transformed the trailer into a very workable piece of equipment that will be of great benefit to the club. Teacher Mark Adams has also given up some of his time to paint the trailer. This has been a terrific achievement with community and school working together.

Student Principal for a Day

Congratulations to our two students who participated in the Student Principal for a Day Program: Renee R and Sarah W were terrific ambassadors for our school and demonstrated fantastic leadership skills.

FROM THE ASSISTANT PRINCIPAL

Weeroona College Bendigo is Hosting Exchange Students During Semester 2

Weeroona College Bendigo is looking forward to welcoming a number of exchange students during Term 3. At this stage, we look like having three short term exchange student from France and two longer term students from Germany and Chile. By hosting students, we are giving these young people of different nationalities the opportunity to become acquainted with another culture, its language, heritage and values. It also provides our students with the opportunity to learn from the students on exchange about their language and culture. By placing a international students into our school, we are providing the opportunity for them to participate in the day-to-day lives of young Australians and create a greater understanding of individual and cultural difference by ALL participants. We very much look forward to meeting our exchange students early in Term 3.

FROM THE GENERAL OFFICE

Absences

If your child will be absent, please call directly to our absence line on 4433 4911 or SMS 0427 016 199. Students who need to leave throughout the day will need a written note from a parent or a phone call to the Office.

Duty of Care – Returning Excursion Permission Forms

Our college has now changed its practice to obtaining explicit parent signed permission forms for all excursions within the local Bendigo area. Previously we were able to have parents sign a letter to cover all local excursions; however DEECD policy now requires explicit written permission for all excursions. It is important that when your child brings a permission form home to attend an excursion or a sporting activity that it is signed by a parent/guardian and returned to the school with the child by the expected date. It is no longer appropriate to receive verbal permission over the phone. For further information, please don’t hesitate to contact the General office on 5443 2133.

More than thirty of the world's most influential designers from the past 40 years will feature in *Modern Love*. Bendigo Art Gallery has drawn on archival fashion objects from the extensive collections of FIDM Museum at the Fashion Institute of Design & Merchandising in Los Angeles.

*Modern Love* focuses on approximately 60 works from the post-punk period from the 1980s to the present day. It reflects fashion in our contemporary lives with works ranging from haute couture designs such as museum commission Alexander McQueen gowns to t-shirts, Adidas high top runners to shoes worn by Samantha Jones in *Sex in the City*.

This day will enable teachers to enjoy the exhibition, learn about the designers and participate in a practical workshop with renowned fashion designer Linda Jackson.

**Workshop with artist Linda Jackson**, renowned textile artist and fashion designer

Linda Jackson is a true pioneer and free spirit of Australian Fashion and Textile Art. Linda studied fashion design and photography in Melbourne and in the late 1960’s left Australia to live in New Guinea and travel. Returning to Australia in 1973 Linda met kindred spirit Jenny Kee. Their Flamingo Park Boutique fashion parades became famous for their energetic amalgamation of art, fashion and music. In 2012, the retrospective exhibition titled ‘Bush Couture’ was curated by the National Gallery of Victoria to celebrate Linda’s unique form of clothing. Linda’s workshop is inspired by her colourful way of working. Participants will design a scarf, collage a colourful artwork and create a fashion drawing inspired by the landscape, a favourite flower or combination of colours.

**Cost:** Bendigo Art Gallery and DATTA members:
- $60/non-members
- $65/students or unwaged

Includes lunch and morning tea, workshops, Teacher Notes and free exhibition entry.
