**WE CARE ABOUT OUR STUDENTS AT
WEEROONA COLLEGE BENDIGO AND
WE HELP THEM TO THRIVE - WCB VISION**

WCB PRINCIPAL

2021 – A YEAR OF UNPREDICTABILITY

2021 began with us holding much hope for a normal year, free from COVID interruptions. What we experienced was entirely different. It allowed our WCB community to come together and display the values that underpin what makes Weeroona College Bendigo such a great place to learn and work.

We began the year differently to previous years, transitioning our Year 7 students a day before the remainder of our students began their school year. Learning Advisors worked tirelessly to engage with families to focus on the importance of literacy learning for all students with the message that parents and caregivers play a critical role in fostering young people's engagement and enjoyment of a wide range of experiences that enhance reading, writing, speaking and listening development (at this stage little did we know just how much we were once again going to be asking of parents and caregivers).

Literacy across the College has continued to be a focus across all learning areas and all staff are members of a Professional Learning Community (PLC) which have been conducting 5 week inquiry cycles to scaffold the teaching of vocabulary. To support the College with our journey to improve student outcomes we continued our collaboration with differentiated support for school improvement (DSSI). The DSSI team consists of an Executive Principal and two Leading Teachers who have seamlessly become part of the WCB school improvement team, working with leadership and teachers for up to two days per week.

The focus for the Leading Teachers has been on improving both literacy and numeracy outcomes. This was the second year with this program and we are very excited to continue this journey for the first six months of 2022.

Student voice is an important aspect of WCB. It acknowledges that students have unique perspectives on learning, teaching and schooling, and should have the opportunity to actively shape their own education.

At WCB student voice involves students actively participating in the College and community, contributing to decision making processes and collectively influencing outcomes by putting forward their views, concern and ideas.

A key component and the face of student voice at WCB are our College Captains. This year we were very lucky to have four captains: Elise McGibbon, Maddison Grinter, Blodan Abduljabbar and Luke Fitzgerald.

They were voted to the role by their peers. Unfortunately, due to Covid-19 restrictions there has been some limited opportunities for them, however, they have stepped up whenever asked. Most memorably our College Captains ran our Smoking Ceremony very successfully earlier in the year.

As the title of this suggests, 2021 has been an unpredictable year. Throughout Term 1 we began with the hope that remote learning and COVID-19 outbreaks were behind us. It didn't take long however, to begin to realise that this might not be the case.

Towards the end of February, we had our annual College Swimming Sports Carnival and it was while students were enjoying the sun, fun and water that schools were notified that we were transitioning to remote learning for a snap 5-day lockdown.

Fortunately, we returned after those 5 days, only missing 2 days of on-site learning. School life returned to normal for the remainder of Term 1 and for most of Term 2. This enabled us to hold our Athletics Carnival and move forward with plans for excursions, camps and our College production. The end of May saw us return to remote learning and pretty much saw the beginning of us transitioning into and out of remote learning for the next four months. Throughout this period, we transitioned four times before finally staggering back to face-to-face learning by week three of Term Four.

Throughout this rollercoaster of remote and face-to-face learning I have been amazed and proud of the resilience and efforts of students, families and WCB staff. The ability of staff to transition to a virtual learning environment within days then back to face-to-face was nothing short of amazing. Families have continued to navigate new technologies to support their children and we have continued Parent Teacher Interviews in a virtual setting.

Whilst there was an enormous amount of planning dedicated to transitioning to remote learning, there was an equal amount of work dedicated to ensuring students could transition back to face-to-face learning.

Student wellbeing support has been our number one priority and upon each return to school we have continued to emphasise WCB Clean, Calm Communities. This was a philosophy that encouraged a calm environment that allowed for COVID-safe operation.

Although there were many challenges throughout 2021, I have been incredibly proud of the gains that we have made in communicating with our community members and the role that Learning Advisors have played in supporting students and families. As we move into 2022, WCB will take with us all the positive things that we have learnt as a result of a couple of very challenging years.

Finally, I would once again like to recognise the support that all members of the WCB community have shown to the College. Your efforts have ensured that our students know that they can rely on you to stand-up when things are challenging.

I hope that everyone has the opportunity to rest and relax over the Christmas break and recharge so that we can do an even better job in 2022.

Jason Bysouth
Principal

ASSISTANT PRINCIPAL

2021 started off promising to see the end of the global pandemic and a fresh new beginning. Our new Year 7 students began on a very wet day, not deterred by the rain, they embraced their first day of high school with grit and determination. Our Year 8 – 10 students joined the next day super excited to find out what the year 2021 would bring. This enthusiasm has continued throughout the year even with the consistent disruptions to the learning of all and the pandemic not ending like we had all hoped.

This year the College values of Respect, Integrity, Personal Excellence, Innovation and Resilience have been thoroughly demonstrated in so many varying ways from all members of our College community.

Respect – *‘the feeling of deep admiration for someone or something elicited by their abilities, qualities or achievements.’*

Our Weeroona College Bendigo community has demonstrated this time and time again. Staff, families and students continued to build on the conversations with Advisors and open communication has strengthened the respectful relationships between all members of the College community.

Integrity – *‘the quality of being honest and having strong moral principles’. ‘Doing the right thing and not expecting reward or recognition for it.’*

Throughout the year students were asked to manage their time effectively, be prepared to think about their strengths and limitations and participate in learning all without the constant reminder from staff. Our Weeroona College Bendigo students did this time and again.

It was very rewarding to work with all members of staff to achieve our teaching and learning goals. In Term 4, upon the return to face to face learning, it was noticeable that students needed less reminding about participating in class and that they were generally excited and enthused to be a part of the College community.

Personal Excellence – *‘challenge myself to do my best and work hard to achieve my goals.’*

Our students and staff at Weeroona College Bendigo have been setting goals throughout each new phase of their learning this year. With the consistent changes to how and where learning has taken place everyone has been challenged and in one way or another overcome these challenges to demonstrate their personal excellence.

The virtual awards evening showcases the amazing efforts of all students this year and the determination to demonstrate personal excellence in the face of adversity. Congratulations to all the award recipients and to all students for their continued hard work.

Innovation – *‘the introduction of something new.’*

As I sit here and write this piece students in the Energy Breakthrough Team are competing in a 24-hour fundraising event. With so many events cancelled this year, the innovation of the WCB staff have seen an event like this being able to be completed. The determination to provide students an experience like this has seen students and staff adapt to the quickly changing COVID rules.

Resilience – *‘the capacity to recover quickly from difficulties: toughness.’*

2021 has seen this value be tested the most by all members of the community. However, with all that has occurred this year the resilience that the Weeroona College Bendigo community has demonstrated has to be congratulated. Time and time again I have had conversations with students and families about how they have exceeded our expectation and their endeavours this year, the resilience and determination to move forward has been outstanding and rewarded.

I would like to personally thank all staff, students, and families for their continued support in ensuring that Weeroona College Bendigo continues to be an amazing place to work and learn. I wish our 2021 Year 10's every success in their future endeavours and look forward to continuing to work alongside all of you in 2022.

Sarah Trew
Assistant Principal

2021 COLLEGE CAPTAINS

Weeroona College Bendigo is proud to introduce our 2021 College Captains

Elise McGibbon

Throughout the four years I have spent at WCB, I have always aspired to be a leader in our school community. I am incredibly grateful to have been elected as a 2021 College Captain and can't wait to experience all this amazing opportunity has to offer. My goal is to improve my leadership skills and grow as a person, while continuing to help make the school a better place. I am looking forward to implementing the school values: respect, integrity, personal excellence, innovation and resilience. WCB has so much to offer, including a highly supportive staff who build great relationships with students. I am very proud to be a student at WCB and I am so excited to see what this year will hold.

Maddison Grinter

Becoming a College Captain, at WCB, has been a personal goal of mine since Year Eight when one of my teachers told me how great I would be at the job. It was this kind of encouragement and support I received from my teachers that aided me through Remote Learning in 2020, amid the worst of the pandemic. That is why being elected as a Collage Captain for WCB and being able to represent the school, in this leadership position, is one I feel so privileged to have. WCB has been an incredible school to attend and has helped me grow so much both academically and as a person. As College Captain, I'll strive to amplify student voice and use the position to spread positivity, optimism and excitement!

Luke Fitzgerald

I decided to run for College Captain last year, as I aspired to make a difference in our school community. I have consistently demonstrated the College values throughout my time at WCB, by being actively involved in college wide sports and extracurricular activities such as Energy Breakthrough. During 2021, I would like to help ensure the school is an accepting community where everyone can be themselves. I am excited to take on a leadership role within the school and hope to improve upon my organisational skills.

Blodan Abduljabbar

WCB has provided me with many opportunities to learn and grow over the past four years and I nominated to run for College Captain to contribute back to the school community. I hope to work on ensuring that WCB is an inclusive learning environment for all students and staff. I am thrilled to undertake this leadership opportunity and hope to improve and expand on my public speaking skills and confidence. I will work hard to embody the school values of: respect, integrity, personal excellence, innovation and resilience.

**WEEROONA
COLLEGE
BENDIGO**

Elise McGibbon, Luke Fitzgerald, Blodan Abduljabbar, Maddison Grinter

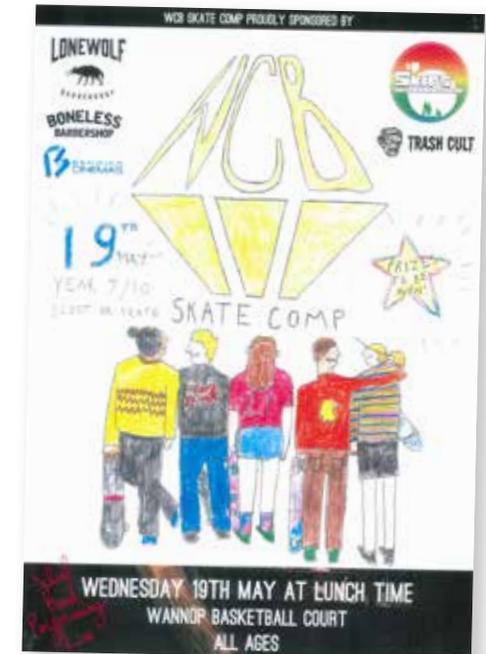

SKATE COMP - WITH BAKER BOY

Wednesday 19/5 saw students from across the College battle it out at the inaugural WCB Skate Competition.

The competition involved students on both skateboards and scooters. Students were given time to showcase their skills with tricks such as longest manual, longest jump, best trick and best ramp trick. It was great to see these students show-off their skills in front of a large crowd in attendance, with students emersed in the action around all corners of the Wannop basketball court. The atmosphere of the day was made even better thanks to the school rock band, who were belting out some rock classics.

Special shoutout to well-known music artist, Baker Boy, who was guest judge on the day.

Thanks for everyone who skated/ scooted in the WCB Skate Comp, it was a pleasure to be a part of it! And thank you to Mr Curry for arranging our special guest and Australia's best rapper Baker Boy! Also, Mr Ireland and Ruby for organising the prizes and safety equipment. Legends! - Jordan.

WELLBEING

IN MEMORY

In February this year our School Community was devastated to hear of the loss of one of our students, Dalton Bawden. Dalton had just started Year 10 and was loved by his Learning Community, Advisory and friends. In remembrance of Dalton we will pay tribute to him by placing a plaque in his memory and planting a tree around Merin Learning Community.

YINDI'S 2ND BIRTHDAY

INFORMATION NIGHT - TRANSITION

ASSEMBLY - SMOKING CEREMONY

To kick off 2021, the WCB community was lucky enough to have leaders and elders from the Bendigo indigenous community, come to our College and perform a traditional smoking ceremony.

Students were given a chance to gain a deeper understanding of one the world's oldest and sacred cultures. This smoking ceremony is one that's intimately intertwined with a Welcome to Country. The Welcome to Country is just that. It's giving consent for people to be on Dja Dja Wurrung country.

As the students and the wider WCB community walked through the cleansing smoke, Dja Dja Wurrung man, Jason Kerr, played the Didgeridoo.

Prominent Dja Dja Wurrung elder Aunty Marilyne Nicholls was among the special guests at the ceremony. Aunty Marilyne said she was impressed with the event, which included a traditional smoking ceremony, speeches and several indigenous performances.

ENGLISH

WINNER SHORT STORY

Sophie Mennie was the winner of the Term 3 WCB Writing Competition with her short story titled, "Infectious Beginnings". This story is presented from the perspective of multiple narrators who navigate a post-apocalyptic world dominated by zombie like creatures who are infected with a contagious disease. Through the development of her dynamic characters and her use of figurative language, Sophie creates a fast-paced environment that keeps the reader on the edge of their seat until the very end.

HUMANITIES

The Global Learning Centre teamed up with Humanities twice this year to provide students with an opportunity to participate in a special one-off lesson as part of the College's commemoration of Anzac Day and International Women's Day.

Anzac Day

Students undertook a lesson focussed on the symbolism associated with Anzac Day, listened to a book titled 'Meet the...ANZACS' and then had the opportunity to utilise their newly acquired knowledge to design and create their own Anzac Day badge. Students worked hard to produce some truly beautiful and moving badges.

International Women's Day

Students explored background information about International Women's Day and then focused on one notable woman from a variety of different backgrounds: sport, mathematics, politics, literature, science and the arts. Students then produced purple butterflies using a range of different mediums which went on display in the College's Art Gallery space. This art installation highlighted purple as the colour historically associated with the day and butterflies to symbolise great change.

DEBATING

Team	R1	R2	R3	R4	R5	Total
Weeroona College 1	4	4	4	4		16
Weeroona College 1 (Year 9)	4	4	4	2		14
Bendigo South East College 1 (Year 9)	4	4	4	0		12
Notre Dame College 1	4	2	4	2		12
Girton Grammar School 1	4	2	0	4		10
Girton Grammar School 2 (Year 9)	2	4	0	4		10
Bendigo South East College 1	2	2	2	2		8
Girton Grammar School 1 (Year 9)	0	0	0	4		4
Bendigo South East College 2 (Year 9)	0	0	4	0		4

ADVANCE PROGRAM

2021 had its challenges with actively volunteering but various cohorts throughout WCB made fine contributions in the community through the Advance Program. The Advance Program is a State Government funded program.

Throughout the course of the year students were involved in a variety of initiatives. These included: continued work on the College based community garden and the Sportsforce Advance Program where over 60 students provided assistance at a variety of Primary and Secondary sports carnivals and events. It also incorporated the Helping The Needy Program, where students sourced, compiled and delivered care packages for homeless men to welfare agency Bendigo Family Financial Services.

Advance, VCAL & Horticulture Elective students

SPORT

Similar to last year, some areas within the College WCB Sports Program were disrupted throughout the course of the year. However, generally we have made the best of the situation and completed most of the allocated sports, although several School State Victoria Finals were cancelled.

Term 1 began with a vibrant WCB Swimming carnival at the Bendigo East Swimming Pool where numbers were strong. The mighty Katyil again proved to be wizards in the pool. Well done.

A strong contingent of event winners then represented the College at the Sandhurst Division Swimming carnival held at the Bendigo Aquatic Centre.

Junior Results

Junior Aggregate Results -

1st	Katyil (145)
2nd	Wannop (109)
3rd	Merin (98)
4th	Katyil (145)

Senior Aggregate Results -

1st	Katyil (116)
2nd	Wannop (85)
3rd	Kappen (71)
4th	Merin (54)

Overall Results

1st	Katyil (261)
2nd	Wannop (194)
3rd	Merin (152)
4th	Kappen (124)

WCB Swimming Carnival Age Group Champions

Individual Age Group Championships – Boys

16 Boys	Will Beaton (Wannop)
15 Boys	Jesse Gill (Merin)
14 Boys	Arden Thacker (Katyil)
12-13 Boys	Kai Norton (Katyil)

Individual Age Group Champions Girls-

16 Girls	Claudia Mountjoy (Katyil)
15 Girls	Charli Seymour (Wannop)
14 Girls	Alyssa Beaton (Wannop)
12-13 Girls	Madison Gill (Merin)

Individual Age Group Championships – Boys

HOUSES	HOUSE LEADERS	HOUSE CAPTAINS
MERIN- YELLOW	Mr Kiernyn McKemmish	Jnr) Madi Thomas, Mason Holm (Snr) Ella Griffin, Ethan Oaten
KAPPEN-GREEN	Mr Kane Goldsworthy	(Jnr) Charlie Prichard, Xavier Cain (Snr) Jett Rowell, Brent White
KATYIL-BLUE	Mr Jack McIntosh	(Jnr) Mikayla Mullen, Mitchell Heenan (Snr) Reese Gilchrist, Jett Patullo
WANNOP-RED	Mr James Ginnivan	(Jnr) Alyssa Beaton, Zachary McGibbon (Snr) Chelsea Price, William Beaton

WCB Athletics Carnival

Strong participation rates and plenty of colour were the order of the day for the WCB Athletics Carnival held in March. Strong efforts ensure the College fielded a very competitive squad at District and Regional Carnivals. Katyil again claimed the overall shield narrowly defeating Kappen.

Junior Aggregate Shield

1st	Kappen 465 points
2nd	Katyil 435 points
3rd	Merin 350 points
4th	Wannop 345 points

Senior Aggregate Shield

1st	Katyil 442 points
2nd	Kappen 393 points
3rd	Wannop 351 points
4th	Merin 212 points

Overall Winners Shield

1st	Katyil 877 points
2nd	Kappen 858 points
3rd	Wannop 696 points
4th	Merin 562 points

WCB Athletics Age Group Champions

12-13 yr Girls	Larni Giudice (Katyil)
14 yr Girls	Alyssa Beaton (Wannop)
15 yr Girls	Jemma Norton (Katyil)
16 yr (Open) Girls	Skye Webb (Katyil)
12-13 yr Boys	Kai Norton (Katyil)
14 yr Boys	Xavier Cain (Kappen)
15 yr Boys	Jesse Gill (Merin)
16 yr (Open) Boys	Will Beaton

Term Sport Days

Throughout the course of the school year students had the opportunity to compete against other schools within the Sandhurst Division Secondary Schools Sports Association structure.

Sports included: Volleyball, Cricket, Tennis, Hockey, Netball, World Football, Badminton, AFL Football, Table Tennis and Basketball. Highlights included the victories of the Boys Year 7 World Football team and the Year 7/8 Girls Hockey squad. Well done to all students who represented the College in team sports throughout the course of the year .

ADP Program

2021 also saw the third year of the Bendigo Education Plan ADP Program. The ADP combines sport and academics, supporting students in developing a range of skills through tailored specialist coaching in their sport of choice.

Students' access General Physical Preparation Sessions and Sport-Specific Technical Skill Sessions every week, providing student-athletes with a specialised training and development environment. The program is open to all students throughout the college. 2021 saw the conditioning component moved to the WCB College grounds with an excellent established weights room developed.

Shooting Competition

Students from WCB took place in the North West School Shoot based shooting competition at Barham- Koondrook. Well done, especially to Ryan Clark and Rebecca Ruedin who produced fantastic results.

Ryan Clark winning the Overall High Gun category with Rebecca winning the Junior girls. Well done to both. A great effort.

BEST AND WORST THINGS ABOUT REMOTE LEARNING

'THE WORST THING ABOUT REMOTE LEARNING WAS NOT BEING ABLE TO VISIT THE LIBRARY AND BORROW BOOKS.'
- ALYIAH L9A

'THE BEST PART OF REMOTE LEARNING WAS WORKING AT MY OWN PACE AND THE SLEEP-INS.'
- MICHAEL M8A

'REMOTE LEARNING SUCKED BECAUSE IF YOU'RE BORED AT SCHOOL THERE IS ALWAYS SOMETHING TO DO SUCH AS GOING TO THE MAKERSPACE OR TALKING TO FRIENDS, BUT AT HOME THERE WASN'T ANYTHING TO KEEP ME OCCUPIED.' - EBONY L9A

'THE BEST THING ABOUT REMOTE LEARNING WAS THE SECLUSION. I COULD HIDE MYSELF IN MY ROOM, NOT HAVE TO SEE ANYONE AND NOT HAVE TO ENGAGE IN POINTLESS SMALL TALK.'
- JAXAN W1B

'THE BEST THING ABOUT REMOTE LEARNING WAS BINGE-WATCHING SHOWS.'
- EMILY K9B

'REMOTE LEARNING WAS UTTERLY MISERABLE.'
- BLODAN M1A

**'THE BEST THING ABOUT REMOTE LEARNING WAS BEING DONE EARLY AND GETTING TO GO PAT THE COWS.'
- GISELLE W9B**

**'THE WORST THING ABOUT REMOTE LEARNING WAS NOT BEING ABLE SEE MY FRIENDS, BEING ABLE TO SLEEP IN WAS THE BEST THOUGH.'
- HOLLY L9B**

**'REMOTE LEARNING WAS THE WORST BECAUSE IT WAS HARD TO FOCUS ON SCHOOL WORK.'
- CORDELL VCAL**

'THE WORST THING ABOUT REMOTE LEARNING WAS THE ISOLATION FROM EVERYTHING AND EVERYONE.' - M9A

**'THE WORST THING ABOUT REMOTE LEARNING WAS MY PARENTS FORCING ME TO DO ALL THE SCHOOL WORK.'
- ZACH W1B**

**'THE BEST THING ABOUT REMOTE LEARNING WAS DRINKING TEA AT HOME.'
- HAYDEN M8A**

'THE WORST THING ABOUT REMOTE LEARNING, IN MY OPINION, WAS ALWAYS BEING ON THE COMPUTER. IT GOT EVERY ANNOYING, ESPECIALLY SINCE IT HAPPENED ALL LAST YEAR AS WELL.' - JACKSON M9B

PERFORMING ARTS

BEING INVOLVED IN THE PERFORMING ARTS IS ABOUT JUST GIVING IT A GO.

I'm a bit scared of this, "just give it a go".

I don't think I know this tune well enough to perform it, "just give it a go".

What if someone laughs when I perform?, "just give it a go".

This is really hard, "just give it a go".

Ms Henty, Mr Emond, the Instrumental Staff and I, we've heard all of these statements a lot this year. I can confidently say that whenever any of us have advised a student to "just give it a go", they have.

There are so many stories from this year that have revolved around exactly that, "just give it go", and it's been met with success more often than not. John Williams Band, Count Basie Band and the Weeroona College String Ensemble despite being very small ensembles (between 5 and 10 members) are make amazing music that sounds more like ensembles three times their size.

Our Rock Bands, despite missing so many rehearsals due to lockdowns, remote learning and having restrictions on what they can and can't do, are still sounding amazing and rocking out hard (as I type a student is practicing Enter Sandman by Metallica, and doing a very good job of it too). Guitar Ensemble this year has become an amazing environment for young people to learn guitar in group environment where you don't have to worry about being judged on your ability and the "just give it a go" attitude is encouraged.

Even when we returned from the various lockdowns we endured this year, there was the potential for all wind instrument to be put on hold due to aerosol spray. Instrumental students and staff simply moved outside and continued their lessons. Problem solved.

As I said earlier, there are so many stories from this year about students and staff making sure that their pursuits within the Performing Arts Department are satisfied. Personally, I can't wait for 2022. If 2021's group of Year 7s are anything to go by, 2022 is going to a blinder.

Here are some pictures from this year that I've taken at various rehearsals, practices and lessons. Pictures always say more don't they?

From everyone in the Performing Arts Building, here at Weeroona College Bendigo, thank you for support the Performing Arts and our amazing students. Have a great Christmas and stay safe.

Chris Blackshaw

GREASE

What an extraordinary and challenging two years we have spent with the company of 'Grease'. Our students have displayed admirable resilience in the face of some very difficult circumstances. Unfortunately, we were not able to get this show to the stage. Constant disruptions with 'circuit breaker' lockdowns and longer periods of remote learning kept us out of the rehearsal room and ultimately, proved too disruptive.

Time and time again our wonderful cast returned to rehearsal with enthusiasm, drive and commitment. They have been commended on their professionalism and work ethic during this time.

It's a lovely reminder of why we do what we do, and the importance of making sure this cast have something to take with them after all the work they've put in. We were able to present several ensemble pieces that allowed the cast to share some of the work they have been doing.

Here we share some of the promotional shots taken earlier on in the year.

Thank you to all, on and off stage, who played a part in 'Grease'.

VCAL

Throughout the course of the year, the Years 11 and 12 VCAL students have undertaken a wide range of learning opportunities, both within the school, and in the wider Bendigo community.

These have included:

- Greening Up the Garden Project
- Making badges for a number of local businesses
- Volunteering at Bendigo Family Financial Services
- Undertaking Structured Workplace Learning
- Assisting with catering at the swimming and athletics carnivals
- Organising an excursion
- Putting together care packages for the homeless and victims of domestic violence

These activities have complemented their classroom activities in Literacy, Numeracy, Personal Development and Work Related Skills along with their VET studies in Active Volunteering and Employment Pathways.

“The best thing about VCAL apart from everything was the garden project where we built garden beds and planted them out and also built a garden shed and a greenhouse.”

Year 11 VCAL student

ENERGY

BREAKTHROUGH

WEEROONA COLLEGE BENDIGO

After 2020, the WCB Energy Breakthrough Team were all hoping 2021 would be a COVID-19 free year, but in fact, we had just as many lockdowns and just as much remote learning. Subsequently, we've had to find new ways to train and race.

Even though the year didn't quite go to plan we still worked hard all to stay fit and healthy. We all made an effort to train when we could. During our weekly training sessions, we would either do a HIIT workout on the spin bikes or we would ride around the school oval in the trikes. These spin classes were great for increasing our cardiovascular and muscular endurance while racing in the trike helped us to practice taking corners, overtaking, and quick pit changes in preparation for when we could finally hit the track again.

The STEM elective has given students who are in Years 9 and 10 the opportunity to learn more about the program. This year in the elective, we have covered both the practical and theoretical sides of Energy Breakthrough. In Semester 1, we covered maintenance of the trike and servicing as well as printing, weeding and applying vinyl stickers. On the theory side, we learnt different types of training which helped us create our own 10-week training program. The types of training in our programs included interval, continuous, weight, plyometric and circuit training. In the second semester, we covered display and presentation which included us making our own presentations about Energy Breakthrough and the different components of the program. Our final unit in the class was the preparation for the race that took place back in mid-November.

In Term 3 Macca had the idea to run our own race at school in-lieu of the traditional Energy Breakthrough events. The race named, "Survival of the Fittest", was held at the school track on the 18th and 19th of November with two twelve-hour days from 8am to 8pm. Rather than competing against other schools, the event was held as a charity event between the Weeroona teams with friends and families donating money to Movember to fund mental health research. The event was a great success with most of the school turning out at lunch to watch everybody race. Thanks to Macca for organising the event, without it we wouldn't have raced at all this year.

Fundraising is a crucial part of our Energy Breakthrough program as it gives us a part of the monies needed to be able to maintain and repair the trikes, pay for entry fees and to purchase the specifically designed equipment required. Even with the challenges this year proved we still had a few great fundraisers along the way. One of our main fundraisers this year was the Bunnings barbeque which helped the team raise over \$1000. The barbeque was mainly led by parents and students with the assistance of Mr McIntosh and Miss McLean. The barbeque was a major success and wildly fun to get to be a part of. This year we also had the Scout's Monster Raffle. The raffle going online made a new challenge to ticket selling but us as a team were able to overcome it. The Energy Breakthrough team made back 75% of every ticket sold and this money is greatly beneficial to our program. Our other fundraiser this year was the pizza fundraiser we held in November. This event was a huge success and we hope everyone liked their pizza.

Sponsors are one of the most integral parts of running our Energy Breakthrough program. Without them, we wouldn't have the funds necessary to maintain our trikes or to attend races. We would like to thank the businesses that have kindly donated to our program.

These include: J + K Law, White Hills Takeaway, FitRepublic, Thacker's Trucks and Engineering, Stow Earthmoving and Landscaping, First Class Finishes, Brumby's, Perrow's Paints, JL King and Co, Brumby's Bakery Epsom, Bendigo Embroidery, JCH Mechanical, High Street X-Ray, and Lactalis.

These sponsorships have allowed us to purchase some new and exciting additions to our trikes. We now (finally) have fans in all our vehicles which will allow us to stay cool and not fog up the trike at night. These fans proved to be extremely useful when we held our own race in November when it was super-hot! We have also upgraded to a new Makita Battery system which means we can now run everything in the trike from a single battery which not only makes us more efficient in our pit stops but more sustainable as well.

Running the Energy Breakthrough program for the past 2 years has certainly been incredibly challenging, and we would like to thank everyone involved who have allowed us to continue doing the program throughout these difficult times. To the teachers at school and members of the community who have helped support us: Miss McLean, Ms Davis, Di, all the parent helpers and volunteers. Thank you, we couldn't have done it without you. To the people outside of school who helped with the construction and maintenance of the trikes, John Taylor and Keith Robinson. Thank you, our trikes are looking more amazing and more ready to race than ever before. And last, but certainly not least, thank you to Mr McIntosh. Every year you go above and beyond to provide this fantastic program for us. You have given so much time and energy so that we always had something to look forward to even in the harshest lockdowns. Thank you so much for everything you do. Hopefully next year all your hard work will pay off and we can get back on the track!

By Ned Howie, Aymee Robinson and Hannah Coates.

THE GLC

THE GLOBAL LEARNING CENTRE

The GLC has been a hive of activity for most of 2021. We have celebrated a number of major events including: Lego Week, Book Week and National Simultaneous Storytime. The Makerspace has run STEAM activities all year focusing on: kitchen science, engineering, influential artists, wellbeing and problem-solving. The GLC has also played host to the College's ever-popular Book Club.

"The activities were so fun and I loved being first in line to view and borrow new books."
- Sophie K8A

"I have loved the activities in Book Club and the chance to get a first pick of the books."
- Ivy K7A

"One of the best parts of being a member of Book Club are the perks. You get first pick of the new books, food if you're hungry and so much more!" - Morgan K9B

"Book Club this year has been extremely exciting. With all the events that happened, regardless of Covid, the librarians couldn't have made it better if they tried! All the effort they put into Book Week, Lego Week and National Simultaneous Storytime, they made sure we had lots of fun!" - Blodan M1A

"This year has been all over the place, in and out of lockdowns, but when we have been able to attend Book Club has always been a welcoming space. You can relax and just talk books. No matter what, it's always a happy and safe environment, which also has good snacks." - Amy M8A

“The Makerspace has helped me keep calm and focus on something before going back to class.” – Sophie K8A

“I’ve really enjoyed the Makerspace this year. I come here almost every lunchtime looking forward to the activities and the atmosphere.” – Darcy K8A

CHINESE

Year 8 Chinese classes' students were having fun making a Chinese dragon and playing with the dragon they made.

YEAR 7 & 8 SPECTACULAR

Bendigo Flexible Learning Options

THE YEAR THAT WAS AT BFLO 2021

2021 was a unique year with everyone adjusting to the changes brought to us by COVID-19. Staff, parents, students and community groups were all effected somehow and of course this changed what we have known of education to date.

However, our BFLO cohort and community have been extremely resilient in current times and their perseverance is commendable. Our staff have been creative with programs that we offer and despite our trials they have managed to offer our students exposures to many experiences.

Programs and activities which our students have been involved with this year include:

Queenscliff camp – Our camp is 3 days filled with various activities such as surfing, swimming with dolphins and seals and enjoying the thrills of the Adventure Waterpark Geelong. Students enjoy the experience of camping in tents under the stars alongside the ocean.

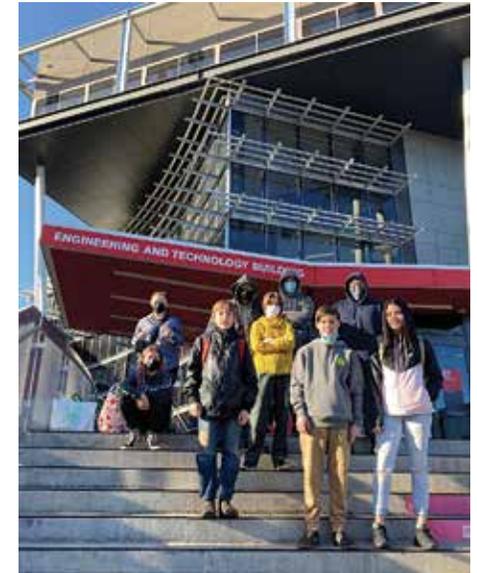

Hands on Learning: Our Hands on Learning space has received a restoration and been converted into a Maker Space for our students. Rather than operating the tools, students are engaging in more craft based activities creating lots of diverse and clever items.

Robotics: Students have engaged well with our new robotics program here at BFLO. Students are taught by our clever Ash Wade to code and program robots to follow particular directions, play music to recognisable tunes and so much more.

It is fantastic that we can offer STEM subjects here at BFLO.

And so much more...

Upcoming events in 2022 include our Beach camp, Horse riding camp, hiking trips, Lovebites program and Basketball at the Schwepps Centre. Already with the lifting of restrictions, and the gradual return to our 'new' normal, 2022 is looking like and exciting, opportunity filled year for our awesome cohort at BFLO.

PHOENIX FM

Every year, WCB's elected College Captains have the opportunity to represent the school and themselves with a radio interview! Fortunately, amongst the chaos of COVID-19, 2021's College Captains were lucky enough to follow this tradition and meet with Phoenix FM's hosts John and Janeen.

School Captains Maddison Grinter, Blodan Abduljabbar, Elise McGibbon and Luke Fitzgerald, Assistant Principal Ms. Trew, and our prized office administrator, Rhiannon Berry all made their way to the Phoenix FM studio on May 21st after a joyful practice interview the day before. Here the school captains were met with the encouragement of the hosts, and watched the process of on-air radio in action before finally beginning the awaited interview.

Luke and Maddi opened the interview with a short introduction and were asked questions about the school, their teachers and leadership. Elise and Blodan continued being asked the same and promoting the school's (now cancelled, yet highly anticipated) musical production, 'Grease'. Ms Trew and Rhiannon got their time to shine too, being asked about themselves and their positions teaching and working at Weeroona.

Then came a meaningful (and my personal favourite) question, "Who inspires you?" The captains dedicated their answers to past and present teachers, parents, grandparents and friends – surely prompting a smile on the faces of those listening. Unfortunately, our second interview that was scheduled the following week was cancelled due to a surprise lockdown. This interview was supposed to be dedicated to Weeroona College, its history and its values.

Overall, the experience at Phoenix FM was an insightful and enjoyable experience for everyone involved. The opportunity to promote the school, speak on leadership and inspiration was definitely a valued one.

A huge thank you to Ms Trew and Rhiannon for accompanying the College Captains and easing their troubled nerves as well as the hosts John and Janeen for making this a fun and comfortable experience.
