Complaints and concerns process for students

Bendigo Flexible Learning Options acknowledges that issues or concerns can cause stress or worry for students and impact their wellbeing and learning. Bendigo Flexible Learning Options encourages our students to raise issues or concerns as they arise so that we can work together to resolve them.

Students with a concern or complaint can raise them with a trusted adult at school, for example, with your Classroom teacher, Wellbeing staff, Campus principal, Leading teacher and Education Support staff. This person will take your concern or complaint seriously and will explain to you what steps we can take to try to resolve the issue and support you.

You can also ask your parent, carer or another trusted adult outside of the school, to talk to us about the issue instead. Information about our parent/carer complaints and concerns process is outlined further below. The parent/carer process also applies to students who are mature minors, refer to: Mature Minors and Decision Making.

Other ways you can raise a concern or complaint with us include:

- participating in our SSG Meetings Held at the start of every term
- Contact Campus Principal on mobile: 0447 538 663

- carefully consider the issues you would like to discuss
- remember you may not have all the facts relating to the issues that you want to raise
- think about how the matter could be resolved
- be informed by checking the policies and guidelines set by the Department and Bendigo Flexible Learning Options

Support person

You are welcome to have a support person to assist you in raising a complaint or concern with our school. Please advise us if you wish to have a support person to assist you, and provide their name and their relationship to you.

Raising a concern

Bendigo Flexible Learning Options is always happy to discuss with parents/carers and community members any concerns that they may have. Concerns in the first instance should be directed to your Child's teacher Leading teacher and Campus Principal. Where possible, school staff will work with you to ensure that your concerns are appropriately addressed.

Making a complaint

Where concerns cannot be resolved in this way, parents, carers or community members may wish to make a formal complaint to the Campus Principal or Leading teacher noting that formal complaints should be directed to a member of the school's leadership team.

If you would like to make a formal complaint, in most cases, depending on the nature of the complaint raised, our school will first seek to understand the issues and will then convene a resolution meeting with the aim of resolving the complaint together. The following process will apply:

1. **Complaint received:** Please either email or telephone to arrange a meeting with the Leading teacher or Campus Principal to outline your complaint so that we can fully understand what the issues are. We can discuss your complaint in a way that is convenient for you, whether in writing, in person or over the phone.

2. **Information gathering:** Depending on the issues raised in the complaint, the Campus Principal, leading teacher or nominee may need to gather further information to properly understand the situation. This process may also involve speaking to school and regional staff to obtain details about the situation or the concerns raised. In some instances, the leadership team may reach out to subject matter experts for expert advice. The school may also reach out to the complainant for further information or to clarify concerns.

3. **Response:** Where possible, a resolution meeting will be arranged with the Leading teacher / Campus principal to discuss the complaint with the objective of reaching a resolution satisfactory to all parties. If after the resolution meeting we are unable to resolve the complaint together, we will work with you to produce a written summary of the complaint in the event you would like to take further action about it. In some circumstances, the principal may determine that a resolution meeting would not be appropriate. In this situation, a response to the complaint will be provided in writing.

In some instances, the school in consultation with the region may suggest mediation, conciliation or other alternative methods of resolving the complaint based on the complexity and urgency of issues raised in the complaint.

Please note that unreasonable conduct (e.g. vexatious complaints) may need to be managed differently to the procedures in this policy.

Resolution

Where appropriate, Bendigo Flexible Learning Options may seek to resolve a complaint by:

- an apology or expression of regret
- a change of decision
- a change of policy, procedure or practice
- offering the opportunity for student counselling or other support
- other actions consistent with school values that are intended to support the student, parent and school relationship, engagement, and participation in the school community.

In some circumstances, Bendigo Flexible Learning Options may also ask you to attend a meeting with an independent third party, or participate in a mediation with an accredited mediator to assist in the resolution of the dispute.

In some instances, the resolution may include actions that must be taken by both the school and the complainant.

Escalation

If you are not satisfied that your complaint has been resolved by the school, or if your complaint is about the Principal and you do not want to raise it directly with them, you may contact the department by phone on 1800 338 663, via the Enquiries form or by email at enquiries@education.vic.gov.au.
